

Lothersdale District Young Farmers Club

Lothersdale Young Farmers is a club for young people from the ages of 10 to 26. It is run by its members for its members.

New members are always welcome from anyone in the above age group and you do not have to live in the area, so long as you are willing to travel.

Most importantly – you don't have to be a farmer to join.

The club meets weekly on Monday from 7:30 pm to 9:00 and uses the village hall as its base.

However, depending on our programme, the club also travels to farms, businesses and other facilities.

Young Farmers is a great opportunity to make new friends from different areas, variety of ages, and to get involved and have a busy social life

Aside from our varied weekly meetings which can involve talks, cooking, sports, stock judging, farm walks, bowling, treasure hunts, public speaking, ice skating, Lothersdale Young Farmers regularly compete with other clubs in local/national competitions, arrange fund raising, parties, socials and club promotion. There is always something going on in which to get involved.
